DEDICATION

As the class of 1982 prepares to graduate, we find ourselves reminiscing about the past four years. Our fondness for one particular woman will stay with us always.

Mrs. Edna Phillips has been advising us and teaching us since the very beginning. When we entered Norton High School as nervous freshmen, she drew us together and gave us the encouragement we needed to begin a successful and happy high school life. During the hectic planning of our prom, she was ever-ready to listen and advise. Perhaps most importantly, she has kept all our finances in order, and has made sure we all paid our dues and participated in class activities. Her patience and perseverance has insured that we held our title as one of the wealthiest classes in Norton High history. Mrs. Phillips' interest in our class has never dwindled, and her enthusiasm and cheering smile have helped us through many difficult times. No one has done as much for us as she has and so, Mrs. Phillips — this book is for you.

FREUNDE . . . FRIENDS . . . KOMPIS

This year Narton High has had the privilege of having two exchange students — 16 year old Cris Ocaná Gorges and 19 year old Karin-Margaretha Larsson. Cris comes from a large city in Germany called Ludurghafen. When she returns home, Cris will have three more years in a school system she says is much tougher than ours. Margaretha's home is on an island in Sweden named Fräsän. She has finished high school and has completed two years of an economics school.

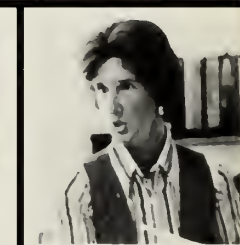

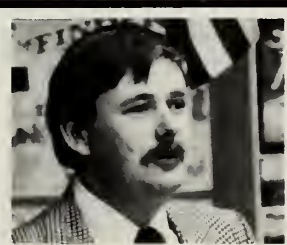

No one who has ever met Cris and Margaretha will ever be able to forget them. Thanks to Cris's ever-present giggle and Margaretha's constant search for fun, Narton High has had an extra-special atmosphere this year.

CLASS HISTORY

In September 1978, we the class of 1982, entered Norton High to begin our high school life. We had been the first class to spend sixth grade in a hall of the high school, so the building was not completely strange to us. Yet we felt very small and insignificant as freshmen.

However, by the end of freshman year we had gained a reputation as one of the largest, loudest, richest and most spirited freshman classes in Norton High history. Although we did not win any prizes for our Homecoming float, titled "Swat the Hornets," building it drew us together as a class. Later that year when we raised \$2300 on our first fundraiser, we showed Norton High that we understood success. Our St. Patrick's Day Dance marked the end of a successful year, and showed our creativity and originality when we covered the cafeteria ceiling with over 400 Shamrocks.

In the fall of sophomore year, we sold Christmas ornaments and then celebrated at our Christmas Dance under a blanket of shining stars that we had hung. At end the year we ordered our rings, and chose our prom site.

Junior year was busy and fulfilled. After we received our rings complete with our motto "Today ... forever," we started training for Powder Puff. By staying ahead until the final five seconds of the game, we played an exciting game. Selling stuffed animals kept us busy until we began the final preparations for our prom. When May 8 arrived we danced the night away under our "Colour My World" rainbow at the King Philip Ballroom.

Suddenly it was Senior Year! We held our Welcome Dance, Spaghetti Supper and Magazine Drive early in the year. By Homecoming, our Senior Spirit was obvious. Spirit Week was a great success and we loved the Pep Rally when we were announced as winners of the Spirit Cheer and the Hall Decorating Contest. The Homecoming Game and Dance, reigned over by Queen Michele Wilkinson were great successes! Although we lacked a Powder Puff Game, we kept our spirit alive by wearing our team shirts before Thanksgiving Vacation. Second semester was filled with anticipation as we worried about school, college and work, and looked forward to our class Trip, Breakfast, Class Night and especially June 10, 1982, our Graduation.

Chapters by Henrietta Yelle

Chapter One began for us, the class of '82
On a '78 September Wednesday
When the high school year was new.

One hundred forty nervous freshmen
Gathered in Homer's Hall to hear the rules set up for us
That somewhat frightening fall.

Quickly though freshman year passed by
And with it passed our fear
Chapter Two began as we entered our Sophomore year.

Drama built as "the slump" engulfed us and we realized
That we'd be trapped forever
In the halls of Norton High.

Yet thanks to the unexpected twist contained in Chapter Three
The business of rings and proms and things
Made us into a family.

Chapter four, titled *Senior Year* is perhaps the very best
Since its pages contain a play, a trip
And spaghetti sauce thumbprints.

We've been taught in English that the best
books will always be
The ones whose Chapters ne'er seem long,
Whose ends come too quickly.

To judge our days at Norton High
by the method we have learned,
our story is a special one —
the last page is hard to turn.

1981 CHAMPS!

Norton High School 1981 Mayflower League Co-Champions. August 30, 1981 the 35 members of the Norton Football Team set their goal for the season. Many felt that shooting high would not be hard. Dreams should always be made unattainable to keep one striving for the golden ring. These 35 young men set a goal not a dream.

This year's Cross-Country Team compiled a record of 2 wins and 7 losses. Despite the lack of depth, some of the runners had their best season. Craig Devine, a consistent winner, placed fourth in the Mayflower League Conference Meet and was selected as a member of the All-Star Team, also Bill Maynihan, a steady performer all season, took twenty-first place at the League Conference Meet.

SOUTHEASTERN MASS CHAMPS!

Once again, the David Mallica coached Lancers proved to be the best in all of Eastern Mass. During the "81" season, the Lancers not only captured the Mayflower League Small School Division, but also won the Mayflower League Playoffs for the third time in three years. Through hard work the Lancer Baseball Team should experience another winning season.

1980 GIRLS TRACK

The 1981 girls Track Team had a fine showing of talent throughout the season. Many school records fell and new personal records were attained. The long jump record was shattered by Nancy Withers with an amazing leap of seventeen feet. A battle developed between Laura Rura and Marlene Nelson for the discus record with Laura Rura emerging as the victor. Linda Law made a remarkable toss of one-hundred and eleven feet in the javelin.

Captains Liz Shaw, Ginny Lanagan and Nancy Withers, led the team to a 3-9 record. To culminate the season, Nancy Withers was named the most valuable player.

1980 BOYS TRACK

1981 Boys Track finished third in the Mayflower League, with a record of 8-4. The team had a tough season, even though the talent was not lacking. Dave Bryant was a consistent winner in the pole vault, and Peter Baker cleared 6'1" in the High Jump, this feat gained him All-Star status. Charlie Shaw was the top point scorer, compiling points in the long jump, triple jump, 100 and 220 yard dashes. Cliff Archer also finished the season consistently placing in the 440 yard run and the discus.
